

Citadel for building innovative champions

Build Your Tomorrow Today

About us

Our training school, Torilo Academy is one of Nigeria's leading provider of training courses. We are located in No 1, Olaniyan Close, Mobolaji Bank Anthony Way, Ikeja, Lagos.

We have expertise in tech-related training courses and we offer a variety of courses that ranges from Product Design (UI/UX), Software Engineering (Python), Web Design & Development, Digital Marketing, Graphics Design etc.

We pride ourselves on impacting unquantifiable knowledge in our students and ensure that they each achieve their goals.

Why Learn at Torilo Academy

Our parent company is a renowned Information Technology firm and a leading provider of technology services in the **United kingdom** and **Nigeria**.

We are an **Award winning** professional training school for individuals and organisations in delivering industry focused programmes.

Our Courses are **Intensive** training programmes that combine real work with learning and a certificate of completion in the chosen field.

Our courses at TA are talent development programmes that **creates futures that count**. We teach meaningful skills that help build **long-term careers**.

Build Your Tomorrow Today

Creating futures that count

Developing futures is our end goal, that's why our experts are guided by our own unique training principles to make sure all our courses are focussed on creating successful careers.

All our courses are project based and practical with a work experience feel and opportunities to network with professionals in the field while gaining confidence to transition into your chosen career path. We design our courses not just to deliver skills, but develop long-term talent.

Training sessions

Our training sessions are meticulously planned by our tutors and are designed in a manner geared toward the actualization of each students goals. Your time is valuable, so our goal is to best train you while taking up the least amount of your time possible.

Your training will be conducted by one tutor over **six weeks** of total sessions that will last from 10am- 2pm on weekdays or 10am-5pm on Weekends.

Payment

The total cost to be paid to the Academy by the student for the training sessions shall be **Sixty thousand Naira(60,000)**. Payment in installments are allowed, provided that you make half payment first and complete payment halfway into the training.
